

Dear Parents and Guardians of children in Years 2-5

Re: Extending the provision of hot lunchtime meals to children in Yrs 3-6 from September 2019

In response to our initial parent survey and subsequent survey on the above we have conducted an initial feasibility study. For us to be able to proceed further with the possibility we need to understand how many children would want a meal based on the following arrangement:

- Meal priced at £2.50 a day
- Required to order five meals a week
- Committing to and paying in advance for a half term of meals (for this year and depending on the length of a half term this would entail a half termly advance payment ranging between £57.50 and £97.50)
- Menu choices consisting of one non-vegetarian option and one vegetarian option

If you would like your child to have a school meal, based on the details above, please email admin@appledore-primary.devon.sch.uk stating your child's name so we can ascertain numbers to decide on the viability. Please be aware that by doing so you are not committing yourself at this stage.

Best wishes

Jeremy Cooper
