

Dear Parents,

I am writing to let you know that we will soon be providing the facility for parents to make payments online for school related activities such as school trips, uniform, nursery fees, school photos and more as required.

It is preferred that you use this system instead of making cash or cheque payments. This system, www.schoolmoney.co.uk, is more secure and safe and we hope more convenient for you, removing the need to send money in with your child or bringing it in yourself. If you require it, payment by debit or credit card in school will also be possible.

For us to set this system up for you to access this service when we go fully 'live', please return the slip below so that we can check it against the current contact records we hold for you.

It will take time for us to set it all up. When you receive a text or email from us regarding this system it will provide you with details on how to access this system, so please bear with us! We will also contact you when other facilities are added, eg purchasing uniform.

We are also trialling a text and email service to inform you quickly of instances such as a cancellation of a school club due to inclement weather or late return of the children from a school trip.

Best wishes

Annemarie Bettiss
School Business Manager
