This is how we stay safe when we use computers:

- I will only use a computer or tablet with the permission of a teacher
- I will ask a teacher or suitable adult if I want to use a computer or tablet
- I will only use activities that a teacher or suitable adult has told or allowed me to use
- I will take care of the computer and other equipment
- I will ask for help from a teacher or suitable adult if I am not sure what to do or if I think I have done something wrong
- I will tell a teacher or suitable adult if I see something that upsets me on the screen
- I know that if I break the rules I might not be allowed to use a computer or tablet
- I will tell my teacher or suitable adult if someone I don't know tries to talk to me when I am online
- At home or at school, I won't try to talk to anyone online that I don't know
- I will not give away information about myself to someone online
