

How our History curriculum is constructed

Our **'progression'** details how our pupils learn the National Curriculum content. Each objective in our progression document requires pupils to master key skills and techniques in order to understand the significance of the knowledge they have learned and can remember, some people call this **'disciplinary knowledge'**, and the language and skills are sequentially introduced as per the diagram to the right.

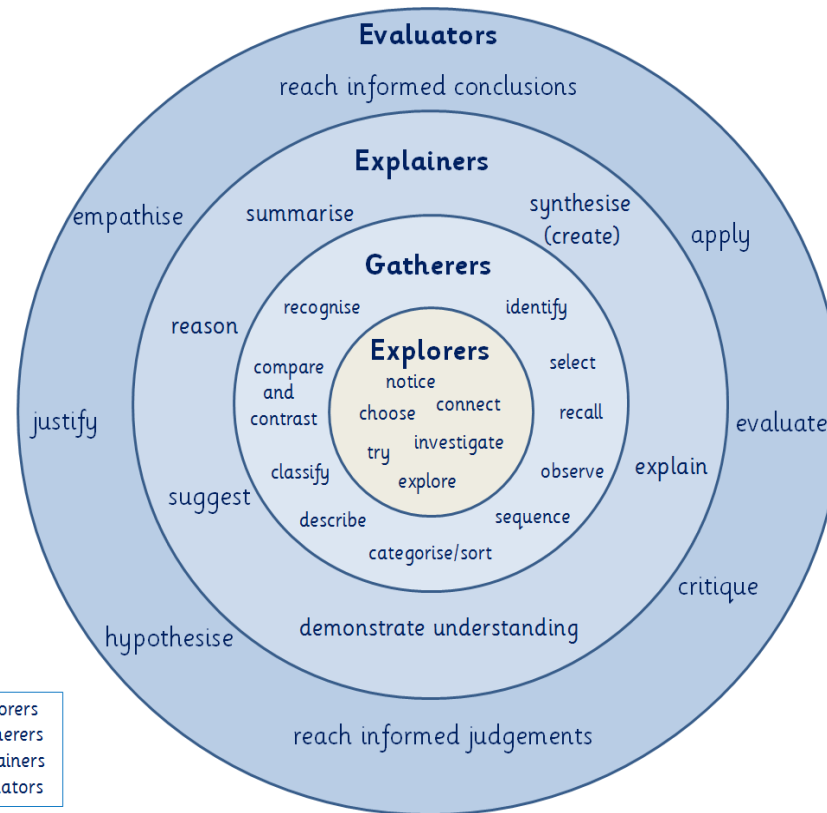

'Overview' details what is taught and when.

The progression document and our skills and techniques are sequenced small building blocks to enable children to achieve our **'key objectives' (end points)** we have decided as crucial to meeting the expected standard in each subject by the end of each academic year.

Our medium term planning identifies the **'sticky knowledge'**, what some people call **'substantive knowledge'**, and this is the body of knowledge we have selected as being of value for our children to know and remember. The sticky knowledge is sequenced and builds on relevant previous learning and supports future relevant learning.

Protected characteristics and **British Values** are actively promoted at Appledore School by how we act, treat one and in what we learn. Examples of how we actively teach protected characteristics in history include: Black History Month (race); Marie Curie (sex); Christopher Columbus (race); Amelia Earhart, Amy Johnson (sex); Mary Seacole (race); Florence Nightingale, Edith Cavell (sex)

For our younger children in Key Stage 1 **history is** learning about the past through sources of information and using these sources to compare the past with today. For children in Key Stage 2 history is learning about the past through primary and secondary sources of information and using these sources to understand how the past impacts us and others now

Definitions & Phrasing

Explorers

Notice: see something and pay attention to it
Choose: decide on something for a purpose
Connect: make links between ideas and/or actions
Investigate: find out about something (with a focus)
Try: have a go at something that could be new or hard
Explore: willingness to try out new things

Gatherers

Recognise - see something and know that it is similar to something you have seen before.
Compare/contrast - say how something is the same or different to something else.
Classify - group things according to their similarities
Describe: - recall something in detail or talk about an observation in detail
Categorise/sort - the action of classifying
Sequence - place a set of events into an order.
Observe - notice something and say how it links to the learning.
Recall - remember something learnt previously
Select: - choose the information most suitable and relevant.
Identify - understand something recalled or observed.

Explainers

Summarise: Write or say a shortened version to give the key facts and events.
Reason: Thinking about something in a logical way to respond to a question or challenge.
Suggest: Write or say ideas that could work in response to a question or challenge.
Demonstrate understanding: share what you know and can explain using words, images or actions.
Explain: Write or say how or why something happened the way it did
Synthesise: Create statements or questions using ideas and facts.

Evaluators

Reach informed conclusions: sum up the main points about something supported by evidence.
Empathise: place yourself in another's position.
Justify: give reasons supported by evidence to show what you consider right or reasonable.
Hypothesise: use your past knowledge and available facts to try and predict what might happen (make a good educated guess).
Reach informed judgement: express a personal view about something supported by evidence.
Critique: consider the validity or trustworthiness of evidence
Evaluating: weigh up and judge the relative importance of something compared with other ideas and arguments.
Apply: make use of information in a given situation/

Beginning to, developing and other similar phrasing means:

Teachers or TA's guide and support children to complete activities and/or demonstrate understanding.

In Key Stage 1 activities supported by adults through resources used, direction given and questions asked.

In Key Stage 2 teachers will explain, model and/or demonstrate before typically ask children to complete an activity with staff available to continue to support and guide towards successful completion/achievement.

Use, understand, know, secure and other similar phrasing means:

Children are secure in their understanding of knowledge and concepts and confidently and independently use and apply skills to achieve a desired outcome.

Autumn 1							
Autumn 2	<p>Guy Fawkes Remembrance Day</p> <p><i>Black and British by David Olusoga</i> Jack Leslie</p>	<p>Great Fire of London What happened during the Great Fire of London?</p> <p><i>Black and British by David Olusoga</i> WWI</p>	<p>Exploration What does it take to be a great explorer?</p> <p><i>Black and British by David Olusoga</i> The Victorians</p>	<p>Stone/Bronze Age What is the secret of the standing stones?</p> <p><i>Black and British by David Olusoga</i> The Stuarts</p>	<p>Romans How and why did the Romans change Britain?</p> <p><i>Black and British by David Olusoga</i> The Romans</p>	<p>Anglo-Saxons and Vikings What impact did the Anglo-Saxons have?</p> <p>Would the Vikings do anything for money?</p> <p><i>Black and British by David Olusoga</i> The Tudors (John Blacke)</p>	<p>World War II Why was winning the Battle of Britain in 1940 so important?</p> <p>What was life like during WWII?</p> <p><i>Black and British by David Olusoga</i> WWII</p>
Spring 1		<p>Nursing How has nursing changed through time?</p>	<p>Grace Darling Has the world always had superheroes?- Grace Darling</p>	<p>Marie Curie What did Marie Curie do for us?</p>	<p>Lifestyle over time How and why have our diets changed over the past 104 years?</p>	<p>Shang Dynasty How did a pile of dragon bones help to solve an ancient Chinese mystery?</p>	<p>Medicine How have historical medical breakthroughs affected our lives today?</p>
Spring 2							

Summer 1							
Summer 2		Castles What was life like in a castle?	Holidays How have seaside holidays changed over 100 years?	Ancient Egypt Why was the river Nile important to the Ancient Egyptians?	Victorians Why is Anthony considered a great Victorian?	The Ancient Greeks The story of the Trojan Horse	Mayans Why did the ancient Maya change the way they lived?

History 'Sticky' (substantive) Knowledge		History Key Objective (end points)
FSU	Recall why we have Bonfire Night and fireworks. Recall who Guy Fawkes was and what he did. Talk about the clothes that are the same/different to us. Say why people wear poppies.	<ol style="list-style-type: none"> 1. Talk about the lives of the people around them and their roles in society; 2. Know some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class; 3. Understand the past through settings, characters and events encountered in books read in class and storytelling.
Year 1	<p>What happened during the Great Fire of London?</p> <ul style="list-style-type: none"> • Understand that the fire happened in the past and know how it started- the bakery. • Know why the fire spread so quickly, e.g. the houses being close together, the wind, what the houses were made of. • Know that Samuel Pepys is an important person in history and that we can learn about the past through diaries • Know that artefacts can help us understand what happened • Know what St Paul's cathedral is and how it has changed since the fire- compare pictures of the cathedral • Know how firefighters and fire engines have changed, compare fire engines and look at how they are different. Look at the equipment they have now. <p>How has nursing changed through time?</p> <ul style="list-style-type: none"> • Know what a significant person is and recognise the significant people in your life, e.g. family, friends 	<p>By the end of Year 1 and using a range of (primary and secondary) historical sources, our young historians are developing into gatherers and demonstrate developing understanding of the differences between the past and present and how we know what happened in the past to:</p> <ol style="list-style-type: none"> 1. Use common words and phrases relating to the passing of time, e.g. Past, before, now, then to identify and describe events in the past in discussion 2. Recognise and identify where the people and events they study fit within a chronological (sequential) framework linked to their own experience, e.g. relative to great grandparents, parents etc. 3. Recognise that things change with the passing of time within their own experience.

	<ul style="list-style-type: none"> ● Know who Florence Nightingale is and why she is a significant person in history ● The key changes that Florence Nightingale made in hospitals, e.g. hand washing and infection control ● Know who Edith Cavell is and why she is important, e.g. how she treated soldiers from both sides of the war. ● The similarities and differences between Edith Cavell and Florence Nightingale ● How modern nursing is different from nursing in the past, e.g. cleanliness, infection control, better facilities, better technology, better equipped hospitals. <p>What was life like in a castle?</p> <ul style="list-style-type: none"> ● Know why there are so many castles in Britain, e.g. they were a sign of wealth, provide fortresses for English armies. ● Know who built the castles and their uses ● Know the typical exterior features of a castle and design your own castle with these features, e.g arrowslits, battlements, moat, drawbridge ● Know the roles of people who worked inside a castle, e.g. cook, servants ● Know there are different types of castle and make a reasoned decision as to whether a castle should be made out of wood or stone. 	
Year 2	<p>What does it take to be a great explorer?</p> <ul style="list-style-type: none"> ● Know what it takes to be a good explorer (brave, ambitious, determined). ● Know about some key explorers and the main features of their missions (Columbus, Neil Armstrong, Amy Johnson, Ranulph Feinnes). ● Be able to say why the following had the necessary attributes to be an explorer: Columbus, Neil Armstrong, Amy Johnson, Ranulph Feinnes, ● Know some of the attributes explorers will need for the Mars Mission (brave, ambitious, determined). <p>Has the world always had superheroes? (Grace Darling)</p> <ul style="list-style-type: none"> ● Know where Grace Darling fits on a timeline. ● Know that Grace Darling carried out a rescue. ● Understand why Grace Darling is a significant historical figure and explain how her life was different to the present day (for example - no technology).. ● Know that her rescue changed the modern lifeboat service (by creating a more coordinated service) . 	<p>By the end of year 2 and using a range of (primary and secondary) historical sources, our young historians have become secure gatherers and demonstrate an understanding of the differences between the past and present and how we know what happened in the past to:</p> <ol style="list-style-type: none"> 1. Use a wide vocabulary of everyday historical terms in discussion and start to in written work 2. Ask and answer questions, selecting and using parts of stories and other sources to show that they know and understand key features of events. 3. Recognise and identify where the people and events they study fit within a chronological framework that is beyond their own experiences 4. Identify, compare and contrast ways of life in different periods

	<ul style="list-style-type: none"> • Know how the modern lifeboat service helps us (giving advice for how to stay safe in the water, how to contact the lifeboat service). <p>How have seaside holidays changed over 100 years?</p> <ul style="list-style-type: none"> • Know some of the things people did at the seaside 100 years ago (donkey rides, using bathing machines, making sandcastles, walking along the promenade). • Know that some of the reasons people went to the seaside 100 years ago were the same as today and that some of the reasons were different (for health, travelling by steam train, rich people, for the day). 	
Year 3	<p>Bronze Age – What is the secret of the standing stones?</p> <ul style="list-style-type: none"> • Know that the Bronze Age comes after the Stone Age and Before the Iron Age • Know how life in the Bronze Age is similar or different to today • Understand why time periods change • Know what 3 significant things the Bronze Age discovered <p>What did Marie Curie do for us?</p> <ul style="list-style-type: none"> • Be able to recount the main events in Marie Curie’s life • Know Marie Curie’s main achievements and understand why these events were significant for the whole world • Know that the choices people make can have an impact on their life and the lives of others • Know that the role and recognition of women in society has changed • Know and understand the role of the Marie Curie charity and her legacy <p>Why was the River Nile so important to Ancient Egyptians?</p> <ul style="list-style-type: none"> • Know when in history Ancient Egypt was • Know how life in Ancient Egypt has changed over time • Understand how we have learnt about Ancient Egypt from artefacts and historical events. • Know the uses of the River Nile to people living in Ancient Egypt 	<p>By the end of Year 3 and using a range of (primary and secondary) historical sources, our young historians are developing into explainers and demonstrate developing understanding of how and why we research the past and how to explain its impact on the present.</p> <ol style="list-style-type: none"> 1. Begin to select appropriate language from a range of historical vocabulary in verbal and written work. 2. Begin to suggest lines of enquiry based on artefacts or historical events. 3. Recall and sequence significant periods in British history, identifying BC and AD eras. 4. Begin to create (synthesise) and respond to historical questions about change, cause, similarity and difference. 5. Begin to recognise some connections, differences and patterns over time and explain why they may exist.
Year 4	<p>How and why did the Romans change Britain?</p> <ul style="list-style-type: none"> • Know what an empire is and why they are built • Know why the Romans wanted to invade Britain. • Know why the Celts (Iceni) were against the Romans. 	<p>By the end of Year 4 and using a range of (primary and secondary) historical sources, our young historians have become secure explainers and demonstrate an understanding of how and why we research the past and explain how it has impacted the present.</p>

	<ul style="list-style-type: none"> • Know who Boudicca was and why she was significant. • Know how we learn about the past. • Know what the Romans brought to Britain (and the legacy they left behind) <p>How has our diet changed since 1918?</p> <ul style="list-style-type: none"> • Know that some of our food is grown abroad due to climate. • Know that some foods can now be grown here due to technology (polytunnels etc.) • Know that diet in 1918 was affected by rationing and people adapted to use different food • Know that people had different roles in the past • Know that life in the UK has changed but some aspects of life are the same • Know that WW2 was between 1939 and 1945 and rationing was reintroduced until 1953 • Know that convenience food first appeared during the 1950s <p>Why is Anthony considered a great Victorian?</p> <ul style="list-style-type: none"> • Know that life in Victorian times was different for children compared to now • Know that Anthony Ashley-Cooper was a great Victorian • Know what a Victorian was • Know who Queen Victoria was and when she reigned • Know that life changed dramatically during Victorian times • Know what rural and urban mean • Know what the industrial revolution was and why it happened • Know how a steam engine works • Know how steam engines changed production 	<ol style="list-style-type: none"> 1. Select appropriate language from a range of historical vocabulary in verbal and written work 2. Suggest lines of enquiry based on artefacts or historical events. 3. Recall and sequence time periods studied, demonstrating understanding of BC and AD eras. 4. Create (synthesise) and respond to questions about change, cause, similarity and difference 5. Recognise some connections, differences and patterns over time and explain why they may exist.
Year 5	<p>What impact did the Anglo-Saxons have?</p> <ul style="list-style-type: none"> • The Anglo-Saxon were made up of three tribes: the Angles; Saxons; and Jutes • The name 'Angles' eventually became 'English' and their land become 'England' • They came to Britain from across the North sea in the middle of the 5th century • For a long time, England was not one county, Anglo-Saxon kings ruled lots of small kingdoms across the land • The Anglo-Saxon period ended when the Normans conquered Britain in 1066 	<p>By the end of Year 5 and using a range of (primary and secondary) historical sources, our young historians are developing into evaluators and demonstrate developing understanding of evaluating how the past impacted the people who lived in the past as well as future generations.</p> <ol style="list-style-type: none"> 1. Begin to demonstrate an understanding of the appropriate use of historical terms in verbal and written work. 2. Begin to respond to and sometimes create historical questions about change, cause, similarity and difference

	<p>Would the Vikings do anything for money?</p> <ul style="list-style-type: none"> • The Vikings were Norse people from Scandinavia • They came to Britain in 793 AD, to the north east of England • Some were fearsome warriors and others looking for farming land • They lived in longhouses and travelled in longships <p>The Shang Dynasty - How did a pile of dragon bones help to solve an ancient Chinese mystery?</p> <ul style="list-style-type: none"> • Know how dragons are represented in Chinese culture and compare with those in our own culture. • Understand who Wang Yirong is and his connection with the dragon bones • Know how archaeologists can tell us about the past using artefacts (primary sources). • Know how the engravings on the bones help us to learn about the past. • Know how the reign of Chinese kings were different (King Cheng Tang and King Di Xin) • Understand the lives of people in different sections of Shang society <p>The Ancient Greeks</p> <ul style="list-style-type: none"> • Know the main events in the siege of the city of Troy during the Trojan War of Ancient Greece. • Understand how archaeological evidence can tell us about the Trojan horse. • Know how archaeologists have been excavating the ruins of the city of Troy and have found evidence of what could have been a serious earthquake around the time of the Trojan War and the siege. • Know the difference between fact, legend and myth. 	<p>and significance.</p> <ol style="list-style-type: none"> 3. Recall and sequence periods studied on a world history timeline. 4. Begin to identify some connections, contrasts and trends over time, reaching informed conclusions suggesting reasons as to how and why. 5. Continue to recognise some connections, differences and patterns over time and explain why they may exist.
Year 6	<p>Why was winning the Battle of Britain in WWII so important?</p> <p>What was life like in Britain during WWII?</p> <ul style="list-style-type: none"> • Victory in the Battle of Britain represented a turning point in the Second World War. • The Axis (Germany, Japan, Italy) and Allies (UK, France and Poland) - then joined by the British Commonwealth (South Africa, Canada, Australia, New Zealand and then the Soviet Union, USA and China). Other Allies included British India, the Netherlands and Yugoslavia. In 1942, the Allies were officially named as the United Nations. 	<p>By the end of Year 6 and using a range of (primary and secondary) historical sources and by the end of Year 6, our young historians have become secure evaluators and demonstrate an understanding of and how to evaluate how the past impacted the people who lived in the past as well as future generations.</p> <ol style="list-style-type: none"> 1. Consistently demonstrate an understanding of the appropriate use of historical terms in verbal and written

- Hitler's plans depended on winning a war in the air.
- The air battle was called The Battle of Britain and it lasted 12 weeks.
- Britain was able to focus its physical and human resources on preparations to attack the Germans in mainland Europe rather than on defending its own territory.
- By the end of May 1940, Nazi Germany had occupied almost all of Western Europe and driven the allied armies of Britain and France into the English Channel at Dunkirk.
- Being an evacuee involved living in a different part of the country deemed as safe.
- Rationing took place to ensure that there was enough food to go around as supplies were short. People were encouraged to grow their own food.

How has life expectancy improved for the people of Appledore in the last 250 years?

- Life expectancy is how long a person is expected to live.
- The life expectancy of people has increased due to medication, sanitation and personal hygiene and cleanliness. Working conditions and wars.
- Some diseases/viruses spread due to a lack of hygiene - understand what the Plague is.
- Understand who Edward Jenner is and how he contributed to vaccination.
- To have an awareness of some medical milestones in the last 250 years of history and place them on a timeline.

Why did the ancient Maya change the way they lived?

- Identify, locate and describe the region of the world in which Maya people live and explain using a range of sources of evidence what the landscape, climate and natural vegetation of this area is like.
- Identify, describe and provide reasons to explain the occupations of modern Maya people.
- Refer to primary evidence to identify and describe the lost jungle cities of the Maya and reach a judgement as to their purpose, justifying their reasoning.
- Understand through explanation the purpose of the ancient Maya city of Chichen Itza.
- Infer using reasoning and informed judgement the purpose of a range of ancient Maya artefacts – including stone carvings, hieroglyphs, clay and stone pottery and figurines and ornaments – justifying their conclusions.
- Explain the social and religious importance of the Maya ball game pok-a-tok.

work.

2. Respond to and sometimes create historical questions about change, cause, similarity and difference and significance.
3. Demonstrate an understanding of and sequence significant historical events and periods studied fit on a world history timeline.
4. Identify some connections, contrasts and trends over time, reaching informed conclusions suggesting reasons as to how and why.
5. Begin to evaluate different accounts of the same historical events to form reasoned judgements about their importance/ validity.

- | | | |
|--|--|--|
| | <ul style="list-style-type: none">● Evaluate and synthesise a range of ideas to reach a judgement as to the likely cause or causes of the gradual abandonment of the Maya jungle cities and justify their conclusions. | |
|--|--|--|
