Research shows that attendance and punctuality are the single most important factors in school success. Please make every effort to make sure your child is on time for school. We will contact you to discuss further if we feel your child is not maximising their learning potential because they are regularly late for school.

Thank you for your co-operation.

Punctuality

Attendance matters but Punctuality also really matters.

- Children who arrive late at school can feel embarrassed and confused; most children can feel uncomfortable walking into a classroom late.
- Children can miss out on introductions and miss important learning and social time.
- Lateness disrupts the learning and routines for everyone!
- Punctuality is an important life skill to be taught right from the very beginning.
- Being on time is important for children to start the day off well; being late can lead to behaviour difficulties.
- Being on time maximises the amount of learning time

Do you know how much learning is lost from lateness?

Getting Your Child to School Really Matters

Did You Know... ?

In a School Year, If Your Child is Late Every Day By...	Your Child Would Have Lost Approximately...	or They Would Have Missed Approximately...
