Spring Term 2025

Thank you to all our parents, carers and staff for supporting our spring term fund raising events – in one term we raised £1288.54 for the school with these events: The **Spring Disco**, held on Friday last week had over 130 children attending the two discos – raising over £510.00. Our **cake sale on Valentines Day** – with fantastic help from Year 6s, raised a further £167.20. All your Asda shopping – for those who chose to donate to us via their Rewards APP raised a further £446.34. Plus a further £165 via the Easy Fundraising APP – parental purchases from places like Argos, Tesco etc.

All the money we raise goes to support the school and our children. We work closely with Mr Cooper and his team to identify the best ways to fund additional activities and resources for the school.

This term we have funded:

- £500 towards survey & planning costs for the Discovery Centre
- Obtained a grant from Northam Council for £750 which was donated to the school to support developments to the After School & Breakfast Club
