## Child-Focused and Inclusive Provision

- **Child Involvement:** Children participate in planning activities
- **Self-Selection:** Children choose from a range of activities
- **Accessible Equipment:** Children can access all activity equipment
- **Open-Ended Activities:** Activities cater to diverse ages and developmental stages
- **Inclusive Staffing:** Appropriate staffing ratios to support all children
- **Support for Disadvantaged Pupils:** Support for disadvantaged pupils and families experiencing hardship
- **Behaviour Support:** Early dialogue with parents and reasonable adaptations for children struggling with behaviour
- **SEND Support:** Liaison with parents and staff; reasonable adaptations and AOOSC Manager is the SEND point of contact
- **Accessible Environment:** Fully accessible for children with disabilities

# Hannah's Breakfast and After School Club

Safe, welcoming and fun!

## Our Environment: Safe, suitable and welcoming

At AOOSC (After School and Out of School Club), we are dedicated to providing a safe, engaging and welcoming environment for your children.

- **Fully Ofsted Compliant:** We adhere to all Ofsted regulations, ensuring the highest standards of care
- **Appledore School Policies:** We follow Appledore School's comprehensive policies, designed to keep children safe. These are available at: [www.appledore-primary.devon.sch.uk/policies](http://www.appledore-primary.devon.sch.uk/policies)
- **Warm Welcome:** Staff greet children and parents at drop-off and collection, facilitating communication and providing reassurance
- **Dedicated Contact:** The AOOSC Manager is your main point of contact for special dietary requirements, preferences, or food allergies

### Costs

Breakfast Club- £5.75 per session (£7.25 nursery)  
After School Club- £7.25 until 5pm (£8.85 nursery)  
£9.45 until 6pm (£10.95 nursery)

In cases of regular late collections a fee of £5 per child will be charged per 15 minutes

### Healthy and Nutritious Food

We offer a variety of healthy and nutritious food options, including:

- Low sugar, higher fibre cereals and porridge
- Higher fibre carbohydrates (wholemeal or 50/50 bread, wraps, pasta, crumpets)
- Lower fat and lower sugar dairy products, spreads and jams
- Fruit, vegetables and pulses
- Fresh water or milk
- We encourage children to try new foods, prepare food independently and clean up

## Routines and Activities

We provide a structured yet flexible environment with a wide range of age-appropriate activities.

- **Activity Board:** A board displays the daily activities on offer
- **Seasonal and Cultural Celebrations:** Activities reflect seasons and cultural events (e.g., Diwali, Chinese New Year)
- **Daily Activities:** Small world activities, making (modelling, cooking), fine motor skills, outdoor sports and games and board games
- **Homework time:** Children have the opportunity to complete their homework
