

Dash and the three cheeky monkeys.

Once upon a time Dash was running fast in the Jungle. He saw a bamboo house. Three cheeky monkeys lived in the bamboo house. Dash went inside; the three monkeys were out swinging on vines.

Dash saw three bananas; a big one, a medium one and a small banana. He tries the big one but it was too dirty. The medium one was too mushy and the small one was just right. So, Dash ate it all!

Next, Dash saw threes swings. He tried the big one but it was too hard. The medium one was too loose but the small one was just right. It wobbled and it broke!

He then saw three monkey beds. He tries the big one but it was too hard. The medium one was too squashy. He got in the small one and it was just right. Oh dear, he fell fast asleep!

The monkeys came swinging back through the jungle to their bamboo house.

Daddy Monkey said, "Someone's eaten my banana."

Mummy Monkey said, "Someone's been eating my banana."

Baby Monkey said, "Oh no, someone's eaten mine all up."

Daddy Monkey said, "Someone has sat on my swing."

Mummy Monkey said, "Someone has tried my swing."

Baby Monkey said, "Someone has used my swing and it's now broken!"

Then they saw their beds and Daddy Monkey said, "Someone's been sleeping in my bed."

Mummy Monkey said, "Someone has lied in my bed."

Baby Monkey said, "Oh look, they are asleep in my bed!"

Dash wakes up and he is scared. So, he runs down the stairs and far away into the jungle. The three cheeky monkeys lived happily ever after.

The End.
