## 3. How do you feel about this vision?

The Atlantic Coast Co-operative Trust will be focused on securing the best possible outcomes for all our children through:

- Shared use of resources, opportunities and expertise
- Collective brokering of services and opportunities for children and staff development
- Strong local accountability, with priorities responsive to our local situation and diverse collection of schools

### The key aims of our Trust are to:

- make the quality of teaching and learning our highest priority
- develop a support structure which ensures children can achieve their potential, both by ensuring a safe and happy environment and by knowing each child as an individual
- seek to make every child feel a part of the community by increasing their ownership and participation
- celebrate achievement and creativity
- engage parents in an equal partnership to support their child
- invest in our staff to increase our skills and experience
- celebrate and support innovation and research in teaching and learning by our colleagues
- work closely with our community to raise aspiration and create opportunities and contribute fully to the life of the community
- collaborate with our partners for the benefit of our children and staff.
