To all parents in Year 5

Year 6 residential 2016

I know it is a long way away, but I need to consult with you regarding the residential planned for Year 6 for your children currently in Year 5.

You may recall that I wrote to you earlier in the year explaining our change to the timings of residential trips in Year 5 and 6. Changing the cycle means they will take place in the first half of the Autumn term, so that pupils have an opportunity to learn how to work with each other and their new teacher and develop a deeper knowledge of each other and teamwork that will benefit them over the coming year.

We have been informed that financial planning does not allow us to delay payment for the trip after it has happened. This leaves us with three options and I would like to receive your feedback before a decision is made. Please complete the section below, by ticking in the box your preferred option, and return this letter to your class teacher (Mrs McMorine) by the end of **Friday 11th December**.

- I will pay for the trip before it happens in September 2016
- I would prefer the trip to be scheduled in November, giving me until the end of November 2016 to pay
- I am unable to commit to either of the two above and therefore my child will not attend the residential

If you are unable to commit to either of the first two options and would like to speak to someone about the trip, please call or email me.

Yours faithfully
