Rainbow to 100

A worksheet titled "Rainbow to 100" featuring a large rainbow arching over a pot of gold labeled "100". The rainbow is divided into seven color bands: red, orange, yellow, green, blue, purple, and red. Below the rainbow, there are two rows of numbers: "0 10 20 30 40 50" on the left and "50 60 70 80 90 100" on the right. Below these numbers are two columns of addition problems, each with six rows. The problems are color-coded to match the rainbow bands: red, orange, yellow, green, blue, and purple. Each problem consists of a blank line, a plus sign, a blank line, an equals sign, and a blank line.
