

**Year 5 Maths for Home Learning week beginning 4th May 2020****Daily Lessons**

All year groups are to participate in the White Rose daily maths lesson by visiting <https://whiterosemaths.com/homelearning/>, selecting the correct age group on the right hand side and selecting Summer Term Week 2

Additional Activities in Support of the White Rose Lessons for this week (if required/desired)**Support for Lessons this week:**

Further explanation and support here on adding and subtracting decimals: <https://www.mathsisfun.com/adding-decimals.html>

Challenge:

If you need an extra challenge try the investigations using money. Select from the list but check they are the right age for you – some on the list are for older or younger children.

https://nrich.maths.org/public/topic.php?group_id=15&code=7

Click on Getting started on the Left Hand Side if you want some clues and use Solutions to see what other people did – sometimes it's interesting to see how someone else thinks in maths and whether you can follow what they say.

Key Skills – these are to keep the children ticking over (if you have time)

Mon	3 mins TTRS Recap differences: Use https://mathsbot.com/questionsIWB Set topic to 8. Differences, No of questions to 5 – difficulty level min 0, max 5 choose a set of star questions and record your answers in your book. Mark your answers. If it was too easy, increase the difficulty level. Remember with negative numbers to keep thinking about where 0 is on the number line. If you need a number line to help go here: https://www.mathsisfun.com/number-line.html
